VAN GOGH WANDERING

Prefer staying in your office or a location of your choice for a team-building event, but still wanting to do something special? No problem, we will come to you.

We recommend this package for corporate anniversaries or birthdays, where colleagues or teams can create gifts for each other. The idea is to pass on the selected shapes, with everyone adding their own mark to each piece, keeping the owner of the shape in mind. Memories will be recollected and new sides of colleagues will be revealed - fun is guaranteed!

You can later on use the pieces in the office, again an easy-way to kickstart a conversation in the coffee break.

Murano

MURANO GLASS FUSING

We recommend this new kind of team-building program for women's teams: make your own glass jewellery!

Create colourful, glittering, fashionable rings, earrings, pendants with our guidance.

We'll show you a variety of techniques, and you choose the colour and pattern of glass you'd like to create your own jewellery from.

After cutting, gluing and decorating, the jars are put in the kiln and fused together. The technique is called "FUSING".

It's up to you, whether you create for yourself and make less jewellery, or you make more jewellery as gifts for others - your team members, your female friends, your relatives!

Choose between our two packages!
