About us

Creative You is a ceramic studio for all ages, where everybody can be the artist and enjoy the joy and bliss of handicraft in a cosy environment. Besides offering a relaxed space for everyone to explore their own creative power, our aim is to provide different workshops and theme events to show the innumerable facets pottery painting, glass fusing, working with clay and other creative activities have to offer.

Our vision is to provide an excellent customer service and creating a great atmosphere at the studio. The creative process of designing and painting your own pottery piece helps you to switch off and to forget everything else, and the shared joy of free creation brings friends, families and colleagues together. Creative You is an artistic hub with design, art, creativity and community, our core values are creativity, learning and assisting the customers on the artistic journey with us. Whether it is a birthday-, anniversary-, baby shower, christening-, bar mitzvah, sweet sixteen-, bachelorette-, farewell-, retirement party, or just a cosy afternoon with friends, we are here to accommodate your needs.

In our bright studio we create a beautiful space for your private event with decorations and with our help your guests can enjoy two hours of creative fun, a great introduction to the basics of ceramic painting, experimenting with colours and patterns, lots of different techniques such as stamping, stencils, tapes, bubbles - and the finished artworks will be fantastic souvenirs to take home.

We recommend this program for women: make your own glass jewellery!

Create colourful, glittering, fashionable rings, earrings, pendants, keychains or pictures with our guidance.

We'll show you a variety of techniques, and you choose the colour and pattern of glass you'd like to create your own jewellery from.

After cutting, gluing and decorating, the jars are put in the kiln and fused together. The technique is called "FUSING".

It's up to you, whether you create for yourself and make less jewellery, or you make more jewellery as gifts for others - your team members, your female friends, your relatives!

Choose between our two packages!
